

## Duty to refer referral form

**Please insert the name of the local housing authority that the service user is being referred to.**

NOTE: Service users can chose which local housing authority they wish to be referred to. However, it is advisable for them to choose a local authority with which they have a local connection. In general, a service user is likely to have a local connection to an area if they live or have lived there, wok there or have a close family connection. However, a service user should not be referred to an area where they would be at risk of violence.

A guide to the duty to refer includes advice on the duty to refer and local connection.
